COLLECTION 111

Nasson College Collection

This collection was brought to the museum by Greg Hubbard when Nasson College was in the process of ceasing to exist, c. 1994. He knew a staff member who felt that the items were in danger of being destroyed, and brought them to the museum for temporary safe keeping. Several attempts were made to sign the paperwork necessary for the materials to become a part of the collections of the museum, but to no avail. They have now been accessioned with the number 2011.101.001-.
